This form is intended and designed to fulfill all requirements of Wisconsin Administrative Code, Chapter A-E 7.08 U.S. Public Land Survey Monument Record (3) (a)(b)(c)(d)(e)(f)(g)(h)(i).

The coordinate value shown has been verified by at least one of the following methods: 1) Comparison to a previously GNSS determined published value; 2) The value is the average of two or more GNSS observations at a markedly different time; 3) One or more distances were measured back to the GNSS observed corner from temporary GNSS observed offset locations.

A-E 7.08(3)(a) Identity of the corner:

S 1/4 Corner Section 31 WISCRS - Forest County
Township 35 North N: 532179.391 USFT
Range 13 East E: 833489.994 USFT
Town of Nashville Datum: NAD 83 (2011)

County of Forest GNSS Method: WISCORS VRS Direct Observation

Original Corner Information:

Original Surveyor: Alfred Millard Original B.T.'s: Tamarack 10" - N39°E, 16 links

Date of Survey: August 1857

Tamarack 10" S25°W, 18 links

A-E 7.08(3)(b)(e)(f)(g) Describe any record evidence, monument evidence, occupational evidence, testimonial evidence or any other material evidence considered. Describe any discrepancy between the corner restored and any previously established location. State whether the corners was restored through acceptance of obliterated evidence, a found perpetuated location, or determined by proportionate methods.

10/30/1975 Certified Land Corner Restoration by Thomas R. Arnott indicates he found a 2" dia. iron pipe and wood post. He reset the iron pipe with a new Forest County aluminum monument and made two new bearing trees. (See corner form for prior history and additional information).

10/15/1975 John H. Fisher, Forest Co Surveyor File # 351331-19751015 found 2" dia. iron pipe in place and notes the following bearing trees - 10" Tamarack stump N39°E, 10.6'; 10" Tamarack stump S25°W, 12.0'; 6" Maple S36°W, 15.6' and 6" Maple N29°E, 19.3'.

07/29/1977 L. Ernest George, Certified Survey Map V2 P176 found Forest County Corner 2" iron pipe with aluminum cap.

10/04/2005 Michael A. Treml, Forest Co Surveyor File # 341306-20051004 indicates existing 2-1/4" alum pipe with 3 1/4" alloy cap.

3/10/2025 I found the Forest County aluminum monument with a 3" dia. cap stamped to identify the corner tipped in a tag alder swamp along with two existing bearing trees, one being not of record. We straightened up the monument and reset it using Fishers's information to the west. This checked with the Arnott's existing bearing tree. I made two additional bearing trees to witness the corner as shown below.

A-E 7.08(3)(c)(d)(e)(h) Plan view of corner with ties to at least four witnesses. If in disagreement with previously established corner, show the distances between the two corners and also indicate the tie to the disputed corner. Distances and directions to other PLSS used as evidence or for proportionina.

(Existing not of record)

Set new nail

Bearings given to the nearest second are Forest County Grid all other bearings are magnetic

- 2-1/2" dia. iron pipe found
- → 2" dia. iron pipe found
- () Fisher's record measurement

A-E 7.08(3)(i) - Certification

I, Gregory S. Maines, Professional Land Surveyor No. 2729, hereby certify that the corner location on this record was referenced by me or under my direction and control and that this U.S. Public Land Survey Monument Record is complete to the best of my knowledge and belief.
