November 12, 2024 - In performing the 2024 - Forest County - "PLSS Corner Remonumentation and GPS Services" project, I found a 2.25" diameter aluminum pipe monument with a 3.25" diameter aluminum cap stamped to identify the corner. The monument is highland and extends ±5" above grade. I also found 2 of Cochrane's bearing trees alive and in good condition. I established 2 new reference monuments as shown below.

History of original corner establishment:

Original Government Survey in 1857 by Artemas Curtis. North between Sections 25 and 30,
