SIGNATURE

Van Zile Original Surveyor: Artemas Curtis - September 1857 to October 1857 - "Yellow Pine 5 for corner" Yellow Pine 12 - N 15° W, 59 Links, Hemlock 14 - S 75° E, 28 Links

See previous Certified Land Corner Restoration - A 2,3 - February 4, 1970 - Surveyor 802 - Jean F. Resvick - THENCE:

November 07, 2024 - In performing the 2024 - Forest County - "PLSS Corner Remonumentation and GPS Services" project, I found a 2.25"diameter galvanized iron pipe with a 3" diameter stamped brass cap. The monument is ±1.5 feet from the shore of Van Zile Lake, and extends ±6" above grade. I also found 2 of Resvick's bearing trees alive and in good condition. I established 2 new reference monuments as shown below.

NOTE: Monument cap is rotated 90° clockwise.

A-E 7.08(3)(c)(d) Plan view of corner with references to at least 4 witness monuments.

A-E 7.08(3)(e) 1857 Surveyor used a Yellow Pine as corner, 1970 Surveyor set a 2" inside diameter galvanized wrought iron pipe with brass cap stamped to identify corner. I found a 2.25" diameter galvanized iron pipe with a 3" diameter stamped brass cap in 2024.

A-E 7.08(3)(f) I accept this monument in good faith as a FOUND PERPETUATED LOCATION of the corner. A-E 7.08(3)(g)(h) This corner was not determined through lost-corner-proportionate methods.

A-E 7.08(3)(i) I. Jeffrey L. DeMuth, Professional Land Surveyor No. S-2656, hereby certify that the corner location on this record was determined by me or under my direction and control, and that this U.S. Public

Land Survey Monument Record is correct and complete to the best of my knowledge, and belief.
