NOTES:

1. The right-of-way width of South Shore drive is 49.50' as stated by the Town of Nashville and County Highway "DD" has no documentation of a right-of-way width, so the Forest County Highway Department said to use the statutory 66 feet.
2. A legal determination and location of potential lakebed(s) on this property was not a part of this survey. As the apparent wetlands shown are contiguous to Harper Lake the present and future owners of "This Parcel" are hereby notified that there may be rights of the public, held in trust by the State of Wisconsin, in these areas if they are determined "lakebed".
3. As shown hereon, there is an existing trail crossing the property that appears to be used by others.
4. A legal description was provided to the client on a separate sheet.
